

Congratulations to the women activists from Yemen and Liberia who won the Nobel Peace Prize

"Yesterday, on the anniversary of Russian journalist Anna Politkovskaya's murder, while I was given this year's award in her name, three other women activists from conflict zones - Yemen and Liberia - received the Nobel Peace Prize. We are not only experiencing the "Arab Spring", but a "Women's Spring".

- Razan Zaitouneh, 8 October 2011
